KISHOREKUMAR N

The screenshot shows the IBM Cloud dashboard. At the top right, the user's profile picture and name 'venkateshkart... K.T' are visible, along with options to 'Edit dashboard', 'Upgrade account', 'Profile', 'Log in to CLI and API', 'Privacy', 'Change theme', and 'Log out'. The main dashboard area features a 'Build' section with a purple background, followed by four cards: 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'IBM Watson Internet of Things Platform', and 'Build a Virtual Private Cloud (VPC)'. Below these are sections for 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. A file 'Project Report.pdf' is open in a viewer at the bottom left. The taskbar at the bottom right shows system icons like battery level, signal strength, and date/time.

IBM CLOUD LOGIN

The screenshot shows the IBM Cloud login interface. At the top, there is a navigation bar with links for Catalog, Manage, and Account information for "Md Aeiaz Af". A search bar is also present. Below the navigation bar is the main dashboard area. On the left, there is a sidebar with various icons for different services like Cloud Foundry, Watson, and Blockchain. The main dashboard features a "For you" section with several cards:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services. (Getting started, 15 min)
- Build a web app with Watson Speech to Text**: Deploy a conversational interface compatible with any application, device, or channel. (Popular, 2 hr)
- Get Started with Watson Studio**: Get started with using AI and Cloud Object Storage in 15 minutes. (Recommended, 2 min)
- IBM Watson Knowledge Catalog**: Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform. (Getting started, 7 min)
- Build a Virtual Private Cloud (VPC)**: Upgrade to a paid account to create your own protected space in the IBM Cloud. (Recommended, 2 hr)

Below the "For you" section are three cards:

- News**: Introducing Badges to IBM Cloud Certification, Announcing IBM SevOne Network Performance Management Version 6.4, IBM Named a Leader in Gartner Magic Quadrant for Full Life Cycle API Management, IBM to Introduce a New Incident Management SaaS Offering. (View all)
- Recent support cases**: View all
- Planned maintenance**: View all

On the right side of the dashboard, there is a "IBM Cloud status" card showing a map of the world with various status indicators.

The bottom of the screen shows the Windows taskbar with the Start button, a search bar, and pinned application icons. The system tray displays the date (19-11-2022), time (10:51), battery level (30%), and other system status indicators.

IBM CLOUD LOGIN

The screenshot shows the IBM Cloud login interface. At the top, there are three tabs: 'IBM' (selected), 'Obtain an IBM Cloud Feature Co...', and 'IBM Cloud'. Below the tabs, the URL is 'cloud.ibm.com'. The main header includes 'IBM Cloud', a search bar, 'Catalog', 'Manage', and a user account section for 'ajit snthl's Account'.

The dashboard features a sidebar with various icons for services like Watson, Blockchain, and Data. The main content area has a 'Dashboard' header and a 'For you' section with four cards:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services. (Getting started, 15 min)
- Build a web app with Watson Speech to Text**: Deploy a conversational interface compatible with any application, device, or channel. (Popular, 2 hr)
- Get Started with Watson Studio**: Get started with using AI and Cloud Object Storage in 15 minutes. (Recommended, 2 min)
- IBM Watson Knowledge Catalog**: Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform. (Getting started, 7 min)
- Build a Virtual Private Cloud (VPC)**: Upgrade to a paid account to create your own protected space in the IBM Cloud. (Recommended, 2 min)

Below the cards, there are sections for 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. A 'Show all' button is available at the bottom of the news section. The bottom of the screen shows a taskbar with various icons and system status information.
